

Tell-tale Tracks

Spotting and identifying the tracks that animals leave behind is a great way to learn about the animals living around you.

Try to match the cast prints with the pictures, then try to work your way through the key answering yes or no until you come to an animal name.

Tell-tale Tracks

Spotting and identifying the tracks that animals leave behind is a great way to learn about the animals living around you.

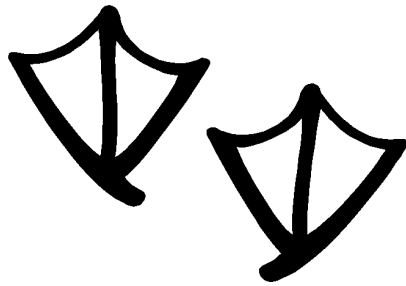

Try to match the animal prints with the pictures, then use the key to find the animal name for each print.
