

CUMBERNAULD GREEN ROUTES

Cumbernauld Green Routes

is part of the Cumbernauld Living Landscape program. It is looking to transform the centre of Cumbernauld and its links to surrounding communities by creating green routes which are accessible, safe and enjoyable. We would like your views on walking in and around Cumbernauld to help us shape the future of the **Green Routes**. Please take a moment to answer the questions on this card and put it in the green postbox provided.
