

CUMBERNAULD GREEN ROUTES

LAUNCH EVENT AT CUMBERNAULD NEW TOWN HALL

TUESDAY 27TH OCTOBER 5PM – 8PM

On behalf of the Cumbernauld Living Landscape you are warmly invited to to the launch of the **Cumbernauld Green Routes Conversation** on **Tuesday October 27th** at **Cumbernauld New Town Hall**. There will be a number of creative and informal workshops for you to get involved in and discuss the future of the Green Routes along with some tasty snacks and treats. There will also be fun Wildlife Watch activities for children!

Cumbernauld Green Routes is part of the Cumbernauld Living Landscape program. It is looking to transform the centre of Cumbernauld and its links to surrounding communities by creating green routes which are accessible, safe and enjoyable. We would like your views on walking in and around Cumbernauld to help us shape the future of the **Green Routes**.
