

Draw A Badger

Art can be really therapeutic – and you don't have to be a brilliant artist to have a go at drawing! Why not try this simple badger. All you need to do to start is draw three circles with a pencil.

Draw an oval for the snout and add a few more to make up the legs and feet.

Now draw some curved lines to connect all the circles together. Add a tail, eyes and ears.

You're almost done... Rub out the parts of the circles that you no longer need and go over the rest in pen or heavy pencil. Shade the body in with grey and black – remember to leave some white stripes on the face!
