

## Draw an Otter

Art can be really therapeutic – and you don't have to be a brilliant artist to have a go at drawing! Why not try this simple Otter. All you need to do to start is draw three circles with a pencil

Add a few more ovals to make up the legs and feet

Now draw some curved lines to join the circles together. Add the ,eyes, snout and tail.

You're almost done... Rub out the parts of the circles that you no longer need and go over the rest in pen or heavy pencil. Shade the body in with brown.
